Klein Karoo Seed Marketing (Pty) Ltd · Kooperasie Street, Oudtshoorn, 6625, South Africa · www.seedmarketing.co.za

KLEIN KAROO SEED MARKETING (PTY) LTD supply seed within the tolerance laid down by the Law in South Africa and warrants only to the extent of the purchase price, that the seed when packed, was within the recognized tolerance, as indicated on the container. No other warranty, expressed or implied, is given. KLEIN KAROO SEED MARKETING (PTY) LTD will not enter into any negotiations or claims by any third party who purchased seed originally supplied by us. Goods received in a damaged condition must be noted on the delivery note and the Seller advised immediately. No seed supplied by KLEIN KAROO SEED MARKETING (PTY) LTD, and no parental line which may be found therein and no plant and/or seed produced there from may be used for breeding or research purposes, nor may it be re-sold as propagating material without the written consent of KLEIN KAROO SEED MARKETING (PTY) LTD. Goods already delivered must be returned immediately in good condition, if these conditions are not acceptable. The picture on this container only indicates the kind and not the specific variety. The full text of the Company's Conditions of sale will be supplied on request.
